Dear Child Care Provider,

This letter is in regards to the April 23, 2014 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)a Numbers for each child's parent, physician, and a responsible person are accessible by the phone. (need to post gone form)
- ☐ 110.5(1)c First-Aid supplies are available and easily accessible in the home, outdoor play area, any vehicle used to transport children, and on field trips.
- ☐ 110.5(1)c The first-aid kit is sufficient to address first aid related to minor injury or trauma and stored in an area not accessible to children.
- ☐ 110.5(1)h Is kept free from litter, rubbish and flammable materials. (window/back pile, agrees to clean outside by August 2014)
- ☐ 110.5(1)j Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits. (add at 2nd exit)
- ☐ 110.5(1)j The plans shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas. (add tornado drawing)
- ☐ 110.5(1)k Fire and tornado drills are practiced monthly and documentation kept. (document)
- ☐ 110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor. (need on both levels)
- ☐ 110.5(1)n Each smoke detector is tested monthly, and a record is kept for inspection purposes. (document)

☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and www.iowasmokefreeair.gov. (add 2nd sign)

☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. (need on new form/parasite statement)

☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. (all HHM, has on self)

☐ 110.5(2)b During the first year of registration – 12 hours of approved training. At least six hours shall be in a group setting. Two of the twelve hours must be health and safety training. A specific training shall not be used to meet requirements more than one time every five years. (plan w/Carrie how to complete training timely)

☐ 110.5(2)b During the second year of registration and each succeeding year, twelve hours of approved training. At least six hours shall be in a group setting. If the provider has documentation of completing the ChildNet, PITC, or Beyond Business Basics series, these hours may be used to fulfill two year's training requirements, not including first aid and mandatory reporter training. A specific training shall not be used to meet requirements more than one time every five years.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

Please do not hesitate to contact me at DHS at 641-421-1219 if you have any questions regarding this letter.

Sincerely,
